

10x Award-Winning Author LANYSHA T. ADAMS, PH.D.

@edlinguist

BIO

LaNysha Tufuga Adams, Ph.D. is a 10x Award-Winning Author of **ME POWER**, TEDx Speaker, and Student Wellness Center Director at Santa Fe Community College. With a unique blend of expertise in applied linguistics and 20 years in education, Dr. Adams redefines professional development as an ongoing growth journey, making her talks both impactful and relevant for diverse audiences. Her compelling personal narrative of overcoming adversity, including surviving sudden cardiac arrest, resonates deeply with attendees, instilling resilience and courage. Featured on prestigious platforms like The Roland Martin Show and major networks such as ABC, CBS, and NBC, Dr. Adams brings credibility and authenticity to every presentation. Elevate your event experience and inspire your audience to unlock their full potential by booking Dr. Adams today.

“ WHAT PEOPLE SAY

Dr. LaNysha's story is incredible! Do you realize it's a one-in-ten chance to survive a sudden cardiac arrest? She's not just talking about heart health; she's out here living it and teaching us all. — Roland Martin, Award-Winning Journalist

Dr. Adams brings an electric energy that touched not just one, not ten, but every single one of a few hundred attendees. If you want that kind of monumental impact at your graduation, booking her is a surefire way to electrify the hearts and minds of your audience! — Michael Multari, Director of Breakthrough Collaborative Santa Fe

For a 5-star experience with an engaging storyteller and award-winning author and educator, choose Dr. Adams. — Monica Brooker, Ph.D., Assistant Commissioner, New York Police Department
